ADMINISTRATION

Administrator's Message

Congratulations to our seniors who have completed the final year of High School. This fact is a real credit to you. I hope that this was your best year yet and that it brought you many great experiences.

Many of you are considering college and several factors should be taken into consideration as you make that selection. In particular, let me mention a couple of questions you should ask yourself:

1. Will the academic experiences at the institution prepare me professionally and vocationally throughout life?
2. Will I encounter the kind of atmosphere and associates which will help me to be the kind of person that God wants me to be and I want to be?

Take a good look at all institutions you are considering and then choose the one which will meet your needs. Hopefully a Christian college.

Thomas R Hardy

Assistant

Administrator's Message

As we travel on our flight through time toward God's eternity, it is here we pause a moment and take a brief look back. Not to glory on past accomplishments, but for encouragement.

I believe that reflection is good at times, for as we press on toward distant goals, we lose ourselves in the doing, and fail to mark our progress by noting the milestones gained along our way.

Each of us, whether Board member, Administration, staff or student has built memories at Costa upon which to contemplate. The present state in which Costa is, is the substance of our memories, each has contributed in their own way to what we are today. That which is past will dim as it recedes, kept alive only in our hearts and perhaps in measure captured on these pages.

But undreamed horizons to experience await us, so we turn forward once again and resume our journey. Let us do so with joy, anticipation and our eye upon God as our final resting state. May we propel ourselves along with unbonded love for God, love for His truth and righteousness and love for one another.

Associated Women for Costa Christian School

*AWCCS stands for quite a term,
the letters are used for a special firm.
It means Christian women with a spiritual concern,
they want the best that children can learn.
When God made women he set them to run,
He didn't tell them of the work to be done.
But our good ladies just need a goal,
then they start out to fill that role.*

*God Bless You Ladies and may your works continue to grow,
We dedicate this book to you so all can read and know*

A Final View

The long and winding road leads us to the open door. The year has left a pool of tears, leaving you behind. Anyway you'll never know the many ways we've tried. Many times we've been alone, many times we've cried. Why leave us standing here let us know the way, to the long and winding road.

KEITH AFFOLTER-

Let no one look down on your youthfulness, but rather in speech, conduct, love, faith, and purity show yourself an example of those who believe.
1 Timothy 4:12

DEBBIE CASTILLO-

With God, nothing is an accident.

WAYNE CARPENTER-

Try to be friends with everyone and love the Lord, then you will be happy always.

RICHARK CLARK-

To the young ones- These last two years have been the best school years I've ever had, mainly for what I have received. I'd like to thank all of you for being my friends. Always remember your quest in life. Be real and remember, God loves you. Thanks.

DONNA COLVIN-

To the ones I love and had to leave behind on my way to a new life- God bless you all, and I hope your dreams and ambitions will come true. Take care. I love you all!

DEBBIE COTTRELL-

It's hard to leave Costa after all these years. It's really something special to know I've got these memories forever. Thanks to all my friends who have given me strength, love, and joy these past five years! It wouldn't be the same without you! Take care.

MARA CREWS-

Let the words of my mouth and the
meditation of my heart be acceptable
in Thy sight, O Lord, my rock and my
redeemer.

Psalms 19:14

JULIE DAVIS-

'Happy are those who dream dreams and
are ready to pay the price to make
them come true.

SANNA DEASON-

I've been living my past for the
future and work today for tomorrow.
My ideas from yesterday create my
dreams forever. My past, present, and
future are all directing me for eter-
nity. I'm motivated by love that I
receive from those around me, and am
made to live because of He who died
for me.

CAROLYN GOETTE-

If love is real, you have to trust and
let love go its way.

TRESA HILLMAN-

If you live like Christ never died,
then you'll die like Christ never
lived.

KIM HOBBS-

Butterflies are free to fly, Fly Away!

DENNIS JONES-

A wise man is strong, and a man of
knowledge increases power. For by
wise guidance, you will wage war, And
in abundance of counselors, there is a
victory.

ROGER LAWSON-

Don't stop thinking about tomorrow.

CAROL LAYNE-

If you can imagine something, you can
achieve it. If you can dream it, you
can become it.

MICHELLE RAY-

Love is patient, love is kind, and
is not jealous; love does not brag
and is not arrogant,

does not act unbecomingly; it
does not seek its own, is not provoked,
does not take into account a wrong
suffered,

does not rejoice in unrighteous-
ness, but rejoices with the truth;

bears all things, believes all
things, hopes all things, endures all
things.

JAN MARTIN-

Memories seldom fade
And smiles are not forgotten
As warmth never shines in shade
And love is never begotten

As we travel on
A long and winded road
Together we do walk along
And share each others load.

LARYN WEST-

Smiling is happy and fun and feels
good looks nice and doesn't cost
ANYTHING!

DAVID WORTHINGTON-

Whatever is true, whatever is honor-
able, whatever is right, whatever is
pure, whatever is lovely, whatever is
of good repute, if there is any ex-
cellence and if anything worthy of
praise, let your mind dwell on these
things.

ACTIVITIES

GLORY TO BROTHER

Small in stature but a giant in wisdom and christian living, Bro. Buchanan will always be remembered at Costa for his support and love. The Yearbook Staff would like to add our praise and appreciation to this event:

*"Bro. Buchanan Honor Day"
June 1978.*

Money always does weird things to Hank Lawson.

Mr. Bob Buchanan, Bro. Buchanan's son, flew out from Baltimore, Maryland for this special occasion.

Sister Nellie Neagle believes in christian education. She has high hopes for the school because she wants her grandchildren to be able to enjoy the privilege of coming to a school like Costa. It is said that if you give you shall receive and Sister Neagle surely will receive. Thank you Sister Neagle for your donation to our school.

"She extends her hand to the poor and she stretches out her hand to the needy."

"Strength and dignity are her clothing and she smiles at the future."

Prov. 31: 20 & 25.

"Give, and it will be given to you; a good measure, pressed down, shaken together, running over, they will pour into your lap. For whatever measure you deal out to others, it will be dealt to you in return."

Luke 6: 38.

Junior-Senior Banquet

The J.S.B. of 1979 was held at Vera's in Crocket on January 26. approximately 80 people were present and boy, was it a night to remember. We not only had a delicious meal but enjoyed a full and entertaining program. Boyce McClain

gave us an inspiring talk on "What is a Senior?" Mara Crews gave us a good laugh and read the Senior Wills. Harvest put on an excellent performance. Then, the highlight of the evening, Mr. and Miss C.C.S. were crowned.

It was an evening that we will long remember and a memory we will always cherish.

Mr. & Miss C.C.S.

Matt Stevens and Julie Walling

"Yah Matt, that's a great new way to drink your milk. . . but, how does it get through your brain to your throat?"

Mr. and Miss C.C.S. are chosen annually by teachers according to a rating system. They are crowned, as custom, at the Junior-Senior Banquet.

Mr. C.C.S.

I feel it was a great honor being chosen as Mr. C.C.S. I have attended Costa for 6½ years and I feel that Costa has really helped me out alot. I would like to thank all my teachers for the instruction they have given, and the examples they have set for me to follow. I am proud to represent Costa as Mr. C.C.S. and I will do my best to fulfill this honor.

Matt Stevens

Miss C.C.S.

Being chosen Miss C.C.S. has been a thrill for me. I've been at Costa for 4½ years and I have really grown to love the school and the people here. I'm really excited about the growth in the school and I'm proud to be a part of it. Thank you to those that chose me to represent this school and to all those who have helped me to grow here. I'll do my best to live up to this honor.

This year has been a special one for the Volleyball team. The 10 girls on the team have worked very hard and have done an exceptional job in their first year of stiff competition.
